DONKEY BASKETBALL

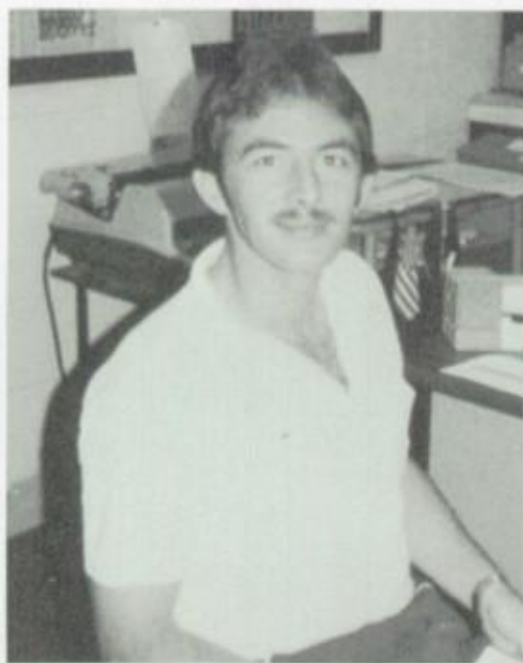

THE GAME OF CHAMPIONS

With a special greeting from President Reagan, how could this game not be a winner? Bob Crosby's Donkey Basketball provided a night of spills, chills, and unexpurgated comedy highlights. The night consisted of three games by area businessmen and students. The night was sponsored by the BHS STUCCO and served as a successful fundraiser for them. Entertainment was provided by the incredible duo of Daryl Moskop and Mike Walsh.

MAYNARD FERGUSON

This year the band did something very unique. This is something most schools don't get to do. They had a professional jazz group give a concert in the high school gym. This took a lot of time, money, and organization. All the band students sold tickets in advance of the concert, and the members of the jazz band did most of the organization. This included everything from advertising to feeding the band before the concert. A dinner was prepared by the Band Boosters, and served by the girls in jazz band. Despite the confusion probably felt by all the high school band members, the concert did start as planned, and was a great success. The members of our Jazz Band got to talk to professionals in the field, and it was certainly an experience for them that won't soon be forgotten.

IMAGINARY THEATRE

For the second year in a row, we were again honored with a performance from The Repertory Theatre of St. Louis. This presentation was of Shakespeare's AS YOU LIKE IT. The "play" was very much enjoyed by the students, and the troupe will hopefully return again next year. Later in the day, the troupe gave a workshop for Mrs. Ewing's drama students. This was greatly appreciated and beneficial.

Courtwarding ceremonies took place between the Junior Varsity Basketball games on February 3, 1984. Miss Jan Dautrich was crowned as the 1984 Courtwarding Queen by the 1983 Queen, Miss Carol Hall. Courtwarding activities were highlighted by the stunning defeat of the Buffalo Bisons with a score of 43 to 40.

The dance, sponsored by Fellowship of Christian Athletes (FCA), was a success. The music was provided for by Young Life Productions and helped to highlight the theme of the dance which was "Take a Chance." FCA President, Tom Rankin, had this to say about the dance, "I believe the reason for success was the organization. The nucleus of FCA put together a dance that was climatic and "multitudinous." I wish next years Courtwarding organizers the best of luck in trying to out do this years extravaganza.

Sophomore attendants were, Left: Laurie Potter and Kendra Wescott. Right: Junior attendants were: Kris Mogenson and Brenda Lowry.

The 1984 Buccaneer candidates were: Diane Winn (right) daughter of Ms. Ellyn Rutledge and Mr. Glen Winn. BAND

The Branson High Buccaneer Band has been a tremendous success this year. Under the direction of David Watz and Marilyn Droke, they have kept themselves busy with concerts, contests, fund-raisers, and marching. The marching band was the best by far in several years. Also in the fall, the band had four students participate in District Band, arranged for a Maynard Ferguson concert in the high school gym, and held a fund-raiser to benefit the uniform inventory. A Christmas concert was scheduled and rehearsed for but was cancelled due to inclement weather. Later in the year they got a chance to perform and were a big success. The Jazz Band opened the concert, and was followed by both choral groups and the Concert Band. Much of the spring was spent preparing for the annual contest at SMSU. The band received a I rating for their performance of two selections of music, and a grade in sight-reading. This is the first time in 10 years that a I rating has been achieved by the Branson Band. Five solos received I's. These included Dale Baker, Ric Fridge, Randy Arnold, James Brookhart, and Tim Davis. These boys went on to State Contests in Columbia. Only six seniors were lost to graduation, so the band has a very promising future. Good luck!

JAZZ BAND

Members of the Jazz Band were: Ric Fridge, Sherry Boling, Lisa Dickens, Dale Baker, James Brookhart, Kevin Ritchey, Jeff Eiserman, Stuart Maneth, David Foreaker, Carla Layton, Tod Grisham, Tom Brookhart, Rhonda Campbell, Jeff Parton, and Randy Arnold.

The actual Jazz Band class held seventh hour at the high school contained only 8 people this year. To increase the number of the band they recruited freshman from the first hour band class. They spent many hour practicing as a full group before school. The Jazz Band played for several basketball games, and also participated in the Spring Concert. At the end of the year, a performance was given at the elementary school in the afternoon. The kids enjoyed the concert very much, and it gave them an idea of what a high school jazz band was like.

Student Council was very successful this year in all of its projects. The Student Council had the honor of holding the prestigious office of First Vice-President in the Missouri statewide council. They sponsored some of the year's best assemblies including the annual Cam-fel production. Student Council also organized the Homecoming dance and Buccaneer Ball, both of which were huge successes. The Council also held several casual dances, the biggest being the all-night dance with proceeds going to cerebral palsy.

The Student Council members showed a special interest in getting the student body more involved with the council's activities. The members put a lot of effort into the activities throughout the year and received excellent results.

Dedication of the John Earl Chase Stadium

On September 9, 1983, the Branson R-4 School District proudly dedicated their new stadium in the name of the late Mr. John Earl Chase, former teacher, coach, and superintendent of schools.

Located on the high school campus, the stadium was built almost entirely with privately donated funds, plus a sizeable donation from the Branson Park Board. The Branson Booster Club raised over \$130,000 of the necessary funds by collecting many small and a few large contributions from both businesses and individuals.

Mrs. John Earl Chase and members of her family were present as the stadium was dedicated in honor of her late husband's four decades of services to the Branson school system.

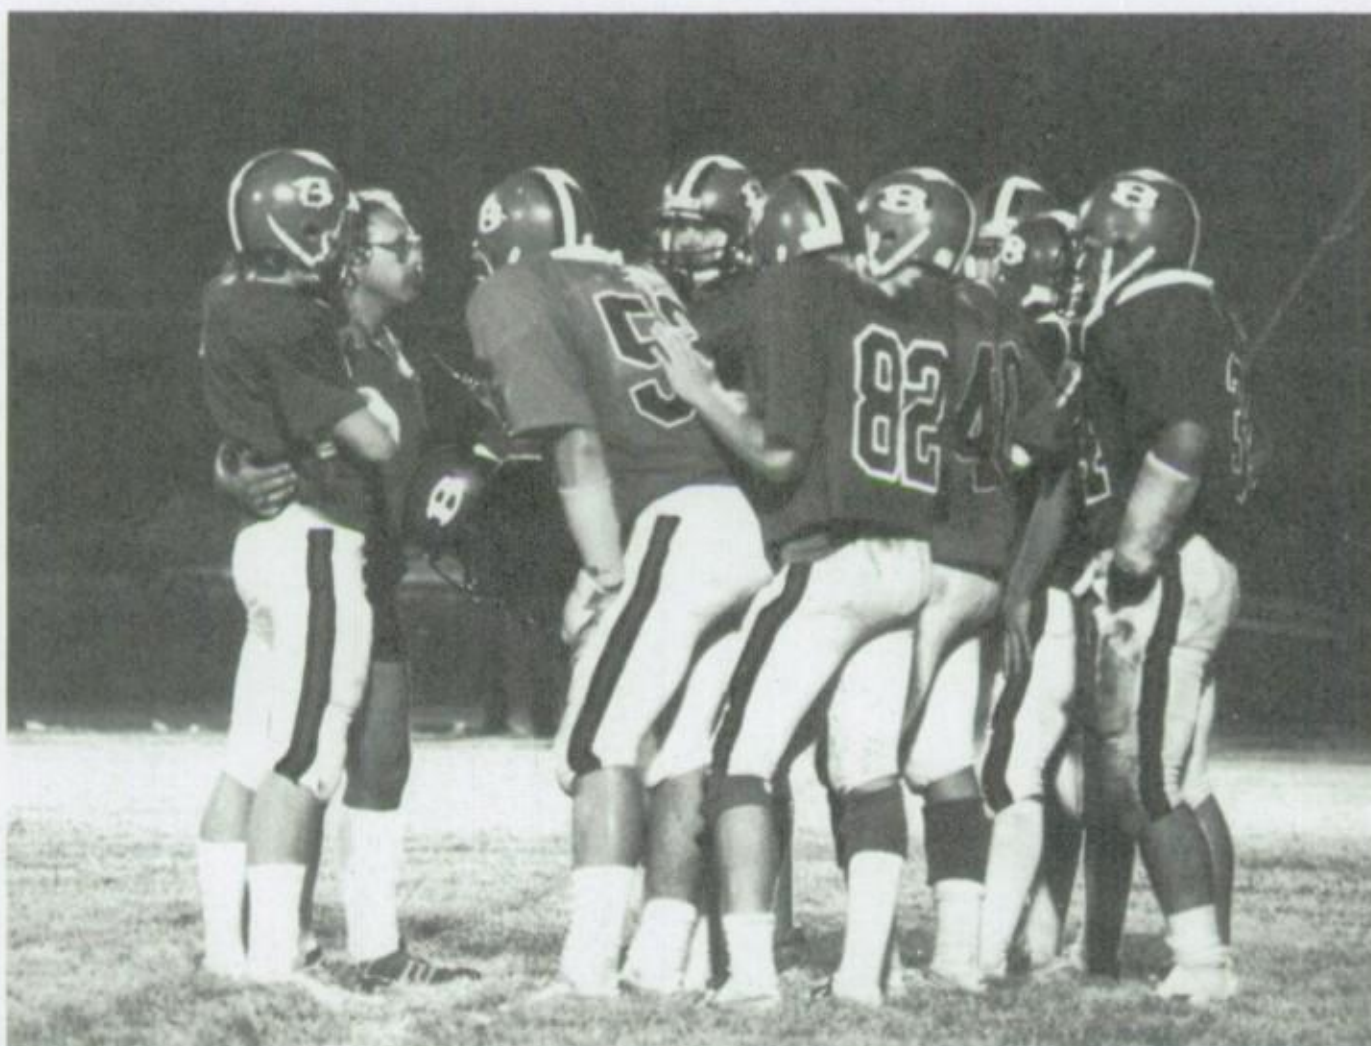

We are very proud of our new John E. Chase Stadium which is the finest in the Central Ozark Conference.

The 1983 football team improved the 1982 record by winning three games. Certainly no record to brag about, but never the less a step toward success in future seasons.

The '83 team was led by six seniors: Doug Gaar, Scott Crane, Jeff Carriger, Tim Smith, David Carey, Tim Youngblood; the latter three receiving All-Conference mention. These seniors were assisted by strong play from the Juniors and Sophomore who show much promise for even greater improvements in 1984.

1983 brought about many changes: a new coach, a new stadium, and the beginnings of renewed tradition in winning at Branson High. 1983 will be known for change and adjustment. What players have done this season, sets the pattern for success in years to come.

BASKETBALL

Playing much of the season with a starting line-up having only one player over 6'0" made the 1983-84 season a challenge to say the least. Add to this the prospect of playing a schedule loaded with state ranked opponents and the Branson Pirates faced a tremendous task.

Early season was difficult and found the Pirates on the losing end of the scoreboard more often than they wished. However, with a lot of hard work and learning the Pirates finished the season as a much-improved ball club including an upset of 1A State Champion Springfield Catholic.

Varsity — row 1 — man, Debbie Gideon, Deanna Droke, Dawn Davis, Julie Sims, Debbie Windly, man, Burnedette Hayes row 2 — coach Jim Bolin, Renee Wakefield, Kelley Moen, Sherri Avery, Carmen Pride, Angie Boucher, Shannon Compton, coach Paula Watts

BASKETBALL

1983-84 was a transition year for Branson girls basketball. Coach Russell was gone and a new coach brought new ideas based on the same time honored principles. Branson bases its past successes upon: hard work, discipline, and desire which creates wins. Although the girls finished under 500 for the year, their success was obvious in the way they played every contest. Never was an opposing team comfortable or overconfident against this squad. Offensive consistency hurt their final won/loss record, but desire and defensive consistency, plus strong bench strength, made them a team to be reckoned with night after night.

Julie Sims, senior co-captain, received first team conference honors while Sherry Avery received honors for first team area Tri-Lakes.

BASEBALL

Front row: Curtis Kuechler, Tim Smith, Shane Bolton, Lucky Hinds, middle: Lonnie Spurlock, Chris Spears, Gary Oney, Jeff Smethers, Steve Huggins; top: Head coach Gary West, Dave Stone, Jeff Akers, Scott Russell, Steve Vincent, Ass't coach John Ihm.

The Branson Pirates had an up and down '84 baseball season. The defending '83 C.O.C. champion Pirates placed third in the conference this spring and finished with an overall record of 9-10. Highlights of the season included wins over Springfield Central, Parkview, and a near win over Class 4-A state champs, Joplin Parkwood.

With the graduation of only two seniors, the Pirates will be looking for conference and district championships in '85.

Boys Track

Front row — Coach Gorden Godfrey, David Carey, Larry Thrap, Paul Miller, Ron Edwards, Max McGrath; Second row — Geoff Eblen, Tim Davis, Shawn Davidson, Randy Sheperd, Curtis Anderson, Noel Porter, Brent Scott, Manager Mary Ledbetter, Coach Don Garner; Back row — Ty Lewis, Mike Watson, R.F. Keeley, Mark Calovich, Kevin Curtis, Bruce Hayes, Tom Brookhart.

Boys Track had another successful season this year. Highlights were winning the Bolivar Relays for the first time. Twenty-one schools were entered in the Boliver meet. They also placed third at the Republic Relays, second at Branson Relays, second at the COC meet, fourth at Monett, and fifth at the District meet. New school records were established by Ty Lewis in the 300 m low hurdles at 40.1, and by Bruce Hayes in the 800 m run at 1:59.9. The 3200 m relay members, Bruce Hayes, Larry Thrap, Mark Calovich, and David Carey, set a record time of 8:10.2. The 3200 m relay placed ninth at the State meet.

Girls Track

Coach Jim Bolin had a small, but exceptional, girls track squad; two of the girls qualified for sectionals — Kelley Moen and Sherri Avery. Sherri also qualified for the state meet in the 400 meter run and the high jump.

Pictured at left: Front row — Donna Baker, Becki Bakie, Kelly Chaney; Second row — Coach Jim Bolin, Angie Boucher, Tori Tangerman, Rhonda Droke, Coach Bonnie Pierce; Third row — Jana Ritchey, Sherri Avery, Kelley Moen.

Golf

From left to right — Coach Kyle, Paul Eiserman, Paul Elmore, Wes Crosby, Brian Asselin, Jeff Eiserman, Junior Bradford. Pictured below is Russ Marquart, the only senior member of the team.

The golf team this year had an excellent season. They participated in nine matches and won them all. They took first place in the COC tournament, which was held in Bolivar. At the District meet in Springfield they took fourth place. The team only lost one senior to graduation so their future for next year is very promising.

Congratulations from: GATOR GOLF West Hwy. 76

CHEERLEADERS

This year's cheerleading squad consisted of two sets of cheerleaders to create great amounts of school spirit. The football cheerleader squad consisted of: Patty Pryor, Linda Kennedy, Natalie Schneider, Michelle Frangkeiser, Julie Sims, and Teresa Campbell. The basketball squad consisted of: Patty Pryor, Kim Burke, Vicki Wilson, Heather McWilliams, Robyn Dautrich, Sherry Anglen, and Amy Ingle.
